

Career Opportunities after 12th

KAUSHALYA SKILL DEVELOPMENT CENTRE

Confused about career

KAUSHALYA SKILL DEVELOPMENT CENTRE

Plan your career

- **There are lot of options and opportunities available**
- **All options are equally good and compete with each other**
- **One should choose a career based on academics, personality and desire**

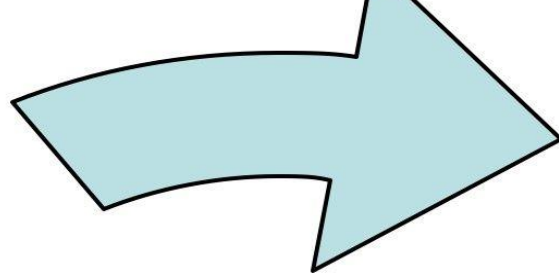

KAUSHALYA SKILL DEVELOPMENT CENTRE

#4

Make it Happen

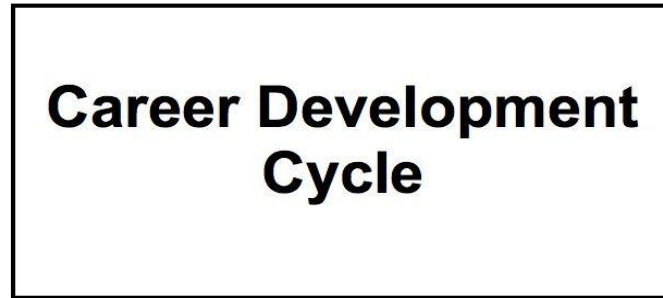

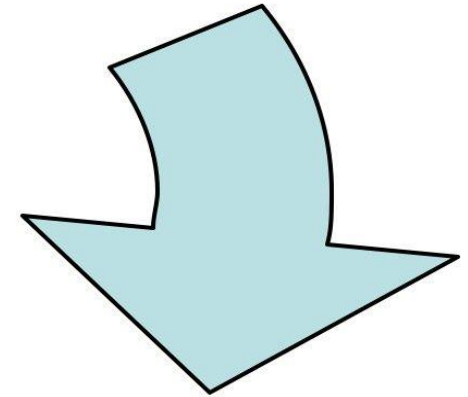

Put plan into action,
learn along the way,
achieve goals.

#1

Know Yourself

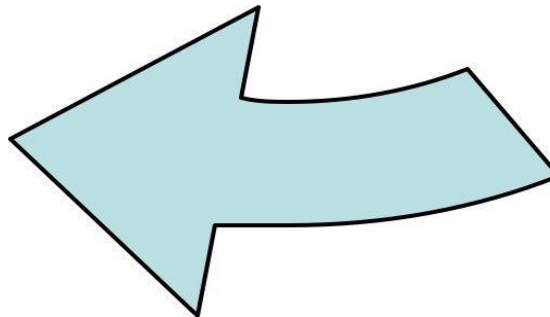

Interests, values,
skills, assets,
resources, personality.

#3

Make Choices

Set goals, develop a
plan, and address
barriers.

#2

**Explore
Possibilities**

Research try things
out, narrow choices,
and find a few that fit.

KAUSHALYA SKILL DEVELOPMENT CENTRE

Ambition Vs Reality

- Before making a career choice, take time to understand yourself, your likes and preferences
- Ambition can not be injected nor can it be imitated
- Parents' attitude- the determining factor in shaping one's career goal

KAUSHALYA SKILL DEVELOPMENT CENTRE

Conventional thinking

- To choose a profession that parents like
- To follow what the others do
- Inclination towards Medical or Engineering profession
- Possibilities of getting job abroad
- Career that will earn you a govt. job

KAUSHALYA SKILL DEVELOPMENT CENTRE

4Ps

- You will survive only if you believe in the power of your dreams.
- To believe in the power of your dreams- remember the 4Ps - Purpose, Passion, Possibilities and Power
- Have a purpose in life, and a dream will follow, trim this dream with passion in your heart and possibilities will open for you.
- Choose today to start believing in the magical power of wishing, hoping and dreaming

What is Primary Teacher Training (PTT)?

- Primary Teachers Training course is a comprehensive course that teaches the techniques and teaching methodologies required to teach children at Primary schools.
- The training will impart teaching skills in a scientific manner that will enable potential teachers to transform themselves into expert educators.

KAUSHALYA SKILL DEVELOPMENT CENTRE

Why should you join a Primary Teacher Training course?

- Today's children are being raised in a highly competitive and complex environment. Hence we need professionally trained teachers who not only impart academic skills but also take care of the emotional wellbeing of the child.
- The training course often includes several new-age teaching techniques and computer education that will make the child face the 21st century classroom with confidence.
- Trained teachers are in demand. If you want to land yourself in a good job, opt for a certified and accredited primary teacher training course and equip yourself with contemporary teaching methods.

KAUSHALYA SKILL DEVELOPMENT CENTRE

Eligibility for Primary Teacher Training course

Anyone who has passed 10+2 with minimum 45% can join the course

KAUSHALYA SKILL DEVELOPMENT CENTRE

DURATION OF PTT

2 YEARS

KAUSHALYA SKILL DEVELOPMENT CENTRE

WHAT IS NPTT?

- Teachers have a great responsibility in today's society.
- They are shaping up future minds and having the right kind of teacher for your child helps in the long term.
- Some would argue that great teachers are born. But in reality, it takes a lot of training and education to reach that stage.
- These courses provide essential skills like communication skills, ability to practice patience, friendly nature, enthusiasm, etc.
